ENGROSSED BILLS

MR. SPEAKER:

Your Chief Engrossing Clerk begs leave to report that we have carefully examined House Joint Resolutions Nos. 1, 2 and 3; and find same correctly and ready for transmission to the Senate.

MARILYN EVELYN HAND,
Chief Engrossing Clerk.

The Speaker directed that the following communication from Representative Dedrick Withers be spread upon the Journal:

December 29, 1982

Dear Mr. Speaker:

I hope you had a very Merry Christmas and I pray that your New Year will be happy, productive, and prosperous.

The purpose of this letter is to request an excused absence from a part of this year's 93rd Session. The reason for this request is that I am heading up a 38 Nation Trade Mission to the Continent of my ancestry, Africa. This project is a part of an effort to bring more

TUESDAY, JANUARY 11, 1983--1st ORGANIZATIONAL DAY

international trade to the Great State of Tennessee which will boost the economy and help greatly with the unemployment that is prevalent in our state and nation.

I have made a diligent effort in these last few months of preparation for this unprecedented mission to avoid being away from my duties in the Legislature, but, because of the fact that I am president of the International Marketing and Development Corporation, my presence in the meetings of each Country that have been arranged with the Presidents and/or Heads of Nations makes the situation whereby I must be present in order that the trade mission will proceed.

The Trade Mission will commence on Sunday, January 2, 1983 from Memphis, Tennessee and will conclude approximately the last of March, 1983. We will be traveling with our own aircraft and will be in constant communication with my Nashville office. I can be contacted by the Memphis Corporate office, IMDC with its Telex Communication System.

Mr. Speaker, its a real dilemma to have to decide between the temporary time away from my duties and the Legislature and an historically unprecedented mission to bring new trade into the City of Memphis, the State of Tennessee and America. Never before has any private sector or government effort sought to open up these new markets for our people in such a comprehensive way.

I hope that in my absence all goes well in the start up of the 93rd General Assembly. I will return promptly at the end of this trade mission.

To my colleagues and friends in the State Capitol I ask that you express to them "bon voyage".

Sincerely,

Dedrick "Teddy" Withers
